ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION

Section 2.01 Description of Improvements and Identification of Units.

The initial Condominium Property shall consist of five (5) Units and certain Common Elements. A plat of the Condominium Property and a graphic description, identifying each Unit by a number or letter so that no Unit bears the same designation as any other Unit, all in sufficient detail to identify the Common Elements, Limited Common Elements, if any, and each Unit and their relative locations and approximate dimensions, are set forth in the Plan attached hereto as Exhibit "D."

Section 2.02 Amendment of Condominium Plan. Developer reserves the right to alter the boundaries of the Units and to increase or decrease the number of Units so long as the Developer owns the Units so altered. Developer further reserves the right to add Common Element improvements to the Condominium Property. Changes in the boundaries of the Units and the addition of Common Element improvements, as hereinbefore provided, shall be reflected by an amendment to the Plan, and if necessary, an amendment to this Declaration. An amendment to the Plan or the Declaration reflecting an alteration of the boundaries of the Units owned by Developer or the addition of Common Element improvements need be signed and acknowledged only by the Developer and need not be approved by the Owners and Mortgagees, whether or not such approval may elsewhere be required herein; provided, however, that any change which shall result in a change in the undivided interest in Common Elements or a change in the share of Common Expenses with respect to Owners of Units other than Developer at the time of such change may not be made without an amendment of this Declaration approved by the Owners and Mortgagees in the manner elsewhere required herein.

Section 2.03 Additional Property. Developer further reserves the right to add all or any portion of the Additional Property depicted on Exhibit "B" attached hereto, together with any improvements constructed thereon, which may eventually consist of as many as fifty (50) additional Units to the Condominium Property within ten (10) years from the conveyance of the first Unit in the Condominium in one or more additional phases. The future

phases of the development may include amenities and recreational facilities as well as additional Common Element and Limited Common Element improvements. Any additional phase shall blend aesthetically with the other Condominium Property, but said style and size of building shall be within Developer's sole discretion. Any additional improvements to be constructed on the real property described on Exhibit "B" shall be of substantially the same quality as the improvements in the initial phase of the Condominium. The submission of the Additional Property may be accomplished in one or more phases within the ten (10) year period, by filing an amendment to the Declaration, which amendment only needs to be signed by the Developer. If all or any portion of the real property described on Exhibit "B" is later submitted to the condominium form of ownership by amendment to this Declaration, the Additional Property may only be added if developed in conjunction with the allocation of percentage ownership of the Common Elements, the sharing of Common Expenses and the allocation of voting rights as set forth on Exhibit "F" attached hereto. Nothing contained herein shall obligate the Developer to submit the Additional Property to the Condominium; however, the Developer may submit all, part or none of the land described in Exhibit "B". Any part of the Additional Property described on Exhibit "B" not submitted to the Condominium Property may be developed or used by the Developer in any manner it deems proper, including the development of another condominium project.

Section 2.04 Parking Spaces. Each Unit Owner will be provided least one (1) uncovered parking space per bedroom as a Limited Common Element. Use of the parking spaces shall be in accordance with the Rules and Regulations of the Association. The parking spaces may be reassigned to Units from time to time in the discretion of the Board.

Section 2.05 Balconies, Patios or Terraces and Mailboxes. Each Unit Owner shall be entitled to an exclusive easement for the use of any exterior balcony, porch, patio or terrace directly accessible from his Unit and designated as a Limited Common Element or shown as "typical" or otherwise on the Plan, but such right shall not entitle an Owner to construct anything thereon or to change any structural part thereof. The balcony, patio or terrace shall be deemed to be a Limited Common Element appurtenant to the Unit from which it is directly accessible, and costs and expenses related to the balconies, patios or terraces shall be assessed against the Unit Owner to whose Unit the balcony, patio or terrace attaches as a Limited Common Element. The Board of Directors shall have the right to limit and to remove any item of furniture, personalty, plant or decorative item that is not in keeping with the Rules and Regulations of the Association, it being recognized that the balconies, patios and terraces are visible from surrounding Units and properties and that there is a need for subtlety and uniformity of items placed on the balconies, patios, and terraces. Any mailbox which may be assigned to the Unit as a Limited Common Element may not be changed or modified in any way except by the Association. Each Unit Owner will be responsible for any replacement of the key to his or her mailbox.

Section 2.06 Easements and Restrictions. The Units, Common Elements and Limited Common Elements shall be, and the same are hereby declared to be, subject to the restrictions, easements, conditions and covenants prescribed and established in the Condominium Documents governing the use of said Units, Common Elements and Limited Common Elements in setting forth the obligations and responsibilities incident to ownership of each Unit and its appurtenant undivided interest in the Common Elements. Said Units and Common Elements are

further declared to be subject to the restrictions, easements, conditions and limitations now of record affecting the Condominium Property. Additional easements established hereunder include the following:

(a) Utility Easements. Utility easements are reserved throughout the whole of the Property, including Units, as may be required for utility services (including, without limitation, water, sewer, stormwater, electricity, telephone, internet, and cable television) in order to adequately serve the Condominium Property.

(b) Utility Equipment. There may be utility equipment and meters which are appurtenant to the Units, but which are located on the Common Elements or on other Units. An easement is hereby reserved in favor of each Unit for the purpose of placement, maintenance, repair and replacement of said utility equipment by Developer and the Owners of the Unit; provided that no utility equipment shall be placed on any part of the Common Elements or Units other than the present location unless the written approval of the Association shall have been first obtained.

(c) Easements for Ingress and Egress. The Common Elements shall be, and the same are hereby declared to be, subject to a perpetual nonexclusive easement of way over all roads, parking areas, walkways and other Common Elements in favor of all Owners for all proper and normal purposes and for the furnishing of services and facilities for which the same are reasonably intended for the enjoyment of said Owners, subject to all restrictions in the Condominium Documents.

(d) Easement for Use of Leased or Acquired Property. Each Unit Owner shall have a nonexclusive easement for use of any property hereafter acquired by the Association for the common benefit of the Owners by purchase, lease or otherwise for all normal and proper purposes for which the same are reasonably intended, subject to all restrictions in the Condominium Documents and the Rules and Regulations.

(e) Easements for Encroachments. To the extent that any Unit, Common Element or Limited Common Element encroaches on any other Unit or Common Element or any Improvement constructed on the Unit encroaches on another Unit, the Common Elements or Limited Common Elements whether by reason of any deviation from the Plan in the original construction, repair, renovation, restoration or replacement of any improvement, or by reason of the settling or shifting of any land or improvement, a valid easement shall exist for the encroachment and/or the maintenance of the same, so long as the encroaching improvement on the Unit, Common Element or Limited Common Element stands. This easement, however, shall not relieve an Owner of liability for his or his agent's negligence, intentional acts or willful and intentional misconduct in causing the encroachment. In the event any Unit, any adjoining Unit, or any adjoining Common Elements or Limited Common Elements shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then constructed, reconstructed or repaired, encroachment of parts of the Common Elements upon any Unit, or encroachment of any Unit or Improvement upon any other Units, Common Elements or Limited Common Elements resulting from such construction, reconstruction or repair shall be permitted, and valid easements for such

encroachment and the maintenance thereof shall exist so long as the encroaching improvements shall stand.

(f) Easements in Favor of Additional Property. There shall be a perpetual non-exclusive easement for all development matters including, but not limited to utilities, access, construction, maintenance, stormwater management facilities, and vehicular and pedestrian ingress and egress over the Common Elements of the Property for the benefit of the Developer and the owners of the Additional Property for all purposes incident to the development of the Additional Property. It is intended that the Developer reserves this general easement to fully develop the Property and Additional Property in its sole discretion. It is the intent that all Dwelling Unit Owner and their guests and invitees have these easement across and over the Common Elements of any of the Reserve property.

(g) Easement of Support. To the extent any Unit needs support, each Unit and the Common Elements and Limited Common Elements shall have an easement of support from other Units, Improvement on a Unit, Common Elements or Limited Common Elements which provide such support.

(h) Easement for Use of Limited Common Elements. Each Owner shall have an easement for the repair, maintenance and upkeep of the Limited Common Elements assigned to his Unit, if any, and for ingress and egress to and from the Limited Common Elements for so long as the Limited Common Elements exist. The aforesaid easement shall be for the benefit of each Unit Owner to which the Limited Common Element is appurtenant.

(i) Easements Reserved for Developer. Notwithstanding anything to the contrary contained in this Declaration, Developer and its duly authorized agents, representatives, employees and customers shall have the following easements until fifteen (15) months after the date Developer no longer owns a Unit primarily for the purpose of sale to maintain a sales trailer, sales offices, rental offices, model units, a construction trailer, portable potties and construction offices on the Property; to go on and over the Common Elements to conduct sales, rental and construction activities and to construct and maintain signs and structures in connection therewith; and for sales, storage and maintenance activities; and to park vehicles on the Common Elements. Also, Developer and its duly authorized agents, representatives, customers and employees shall have a perpetual non-exclusive easement over the Common Elements for the construction and completion of improvements, for making repairs on the Property, for parking of vehicles in connection therewith, or for any other legitimate business purpose.

(j) Easements Appurtenant to Units. The easements and other rights created herein for the Unit Owners shall be appurtenant to the Unit of that Owner and all conveyances of title to the Unit shall include a conveyance of the easements and rights as are herein provided even though no specific reference to such easements and rights appear in such instrument. The Owners do hereby designate the Developer and/or the Association as their lawful attorney-in-fact to execute any and all instruments on their behalf for the purpose of creating all such easements as are contemplated by the provisions hereof.

(k) Easement for Services and Emergencies. There shall be non-exclusive easements for all police, firemen, ambulance operators, mailmen, delivery men, garbage men, and all similar persons, and to the local governmental authorities and the Association, but not the public in general, to enter upon the Common Elements in the performance of their duties, subject to reasonable rules and regulations as the Board may establish from time to time.

Section 2.07 Ownership of Common Elements. Each Owner shall own an undivided interest in the Common Elements with all other Owners, and, except as otherwise limited in this Declaration, shall have the right to use the Common Elements for all purposes incident to the use and occupancy of the Unit as herein provided, without hindering or encroaching upon the lawful rights of the other Owners, which rights shall be appurtenant to and run along with the Units. The extent or amount of such ownership shall be expressed by a fraction relating to each Unit as set forth on Exhibit "E" attached hereto, and shall remain constant, unless changed in accordance with the provisions of Section 2.02 or 2.03 or Article III hereof or if not by the Developer pursuant to the previously mentioned Sections, then by the unanimous approval of all Owners and Mortgagees affected thereby. The fractional ownership in the Common Elements relating to each Unit as set forth on Exhibit "E" attached hereto was calculated roughly by dividing one (1) by the total number of Units in the Condominium from time to time. Dwelling Unit Owners acknowledge that their fractional ownership in the Common Elements shall decrease as more phases are added to the Condominium.

Section 2.08 Rights in or to Limited Common Elements. The Limited Common Elements appurtenant to the Unit, if any, shall be as shown on the Plan. The description shall be expressed by identifying the type of Limited Common Elements which are appurtenant to the Unit, if any, and the Owners of such Units shall have the exclusive right to use such Limited Common Elements so designated or described unless changed by the Developer as permitted in Section 2.02 or 2.03 or Article III hereof or by the unanimous approval of the Owners of the Units to which Limited Common Elements are appurtenant and their respective Mortgagees. Each Owner of a Unit to which the Limited Common Element is appurtenant shall have the right to use the Limited Common Element for all purposes incident to the use and occupancy of his Unit as herein provided without hindering or encroaching upon the lawful rights of the other Owners, which rights shall be appurtenant to and run along with the Units to which the Limited Common Elements are attached.

ARTICLE III

DEVELOPMENT RIGHTS

Section 3.01 Reservation of Development Rights. Developer hereby expressly retains and reserves the right, but has no obligation, except as expressly provided herein, to submit all or any portion of the Additional Property, a depiction of which is attached hereto as Exhibit "B," to the provisions of this Declaration. Prior to being added to the Condominium, if so added, no portion of the Additional Property shall be subject to this Declaration. If any portion of the Additional Property is added to the Condominium, only such portion added shall be subject to this Declaration. Further, Developer reserves the right to add

additional Common Element and Limited Common Element improvements to the Condominium Property.

Section 3.02 Exercise of Development Rights. Except as otherwise specifically set forth in this Declaration, there shall be no limitations on the development right to add property to the Condominium or the exercise thereof. The right may be exercised to add all or any portion of the Additional Property to the Condominium at one time or at different times, or the right may not be exercised at all, in Developer's sole discretion. There shall be no limitations to the boundaries of any portion of the Additional Property added to the Condominium. The exercise of the right as to a portion of the Additional Property shall not prohibit Developer from, or obligate Developer to, further exercise of the right as to any other portion of the Additional Property.

Section 3.03 Expiration of Development Rights. The development rights set forth herein, specifically including the right to submit all or any portion of the Additional Property to the Condominium may be exercised by Developer at any time and from time to time for a period of ten (10) years from the date of conveyance of the first Unit. Upon the expiration of said ten (10) year period, to the extent not exercised or previously terminated by Developer by express amendment to this Declaration, the right shall expire and terminate; provided, however, that Developer may extend said period for the exercise of the development right with the consent of the Unit Owners of Units to which two-thirds (2/3) of the votes in the Association appertain, exclusive of any vote or votes appurtenant to any Unit or Units then owned by Developer, within one (1) year prior to the date upon which the development right would otherwise have expired.

Section 3.04 Improvements on Additional Property. Any and all structures developed on any portion of the Additional Property or improvements to the Additional Property added to the Condominium will be compatible with the structures on the Property in terms of physical appearance, structure, type, quality of construction, the principal materials to be used and architectural style. The maximum number of Units that ever may be in the Condominium is fifty (50) Units. There are no limitations as to the particular location of any improvements that may be made on any portion of the Additional Property added to the Condominium. Developer shall have the right, but not the obligation, to construct such improvements on the Additional Property, or any portion thereof added to the Condominium as Developer shall deem advisable for the common use and enjoyment of the Unit Owners. No limitations are placed on the right of Developer reserved hereby to create Limited Common Elements within any portion of the Additional Property or to designate Common Elements therein which may subsequently be assigned as Limited Common Elements. Except as expressly provided in this Section, there are no assurances that any Units created on any portion of the Additional Property added to the Condominium will be substantially identical to the Units submitted with this Declaration and there are no assurances as to what types of Units may be created on the Additional Property. All improvements on the Additional Property will be substantially completed prior to being added to the Condominium.

Section 3.05 Reallocation and Amendment. Upon the addition of any portion of the Additional Property to the Condominium, the share of undivided interest in the Common Elements and the share of liability for Common Expenses allocable to all Units then included in the Condominium shall be reallocated so that the undivided interest of each Unit

shall be as set forth on Exhibit "F", subject to the right of Developer to make adjustments based upon the number of Additional Units added, so that the total of all interests equals approximately 100%. Each Unit located upon any portion of the Additional Property added to the Condominium shall be allocated the number of votes in the Association as are comparable to the votes allocated to the existing Units in the Condominium. To add Additional Property to the Condominium, Developer alone shall execute and record an amendment to this Declaration and the Plan, submitting such portion of the Additional Property to the Law and this Declaration and reallocating the undivided interests in the Common Elements, the liabilities for Common Expenses and the votes in the Association.

ARTICLE IV

ORGANIZATION AND MANAGEMENT

Section 4.01 Management of the Condominium Property. Operation and administration of the Condominium Property shall be performed by The Southern Condominium Owners' Association, Inc., a Mississippi nonprofit corporation. The powers and duties of the Association shall include those set forth in the Law, this Declaration, the Articles and the Bylaws.

Section 4.02 Members. The Members of the Association shall consist of all record Unit Owners of the Units. Change of membership in the Association shall be established by recording in the public records of Lafayette County, Mississippi, the deed or other instrument establishing record title to a Unit in the Condominium Property, and the delivery to the Association of a certified copy of such instrument, the Owner designated by such instrument thereby becoming a record Unit Owner and a Member of the Association. Membership of the prior Owner shall thereby be terminated. All present and future Owners and Occupants of the Units shall be subject to and shall comply with the provisions of the Declaration, the Bylaws and the Rules and Regulations, as the same may be amended from time to time. The votes for a Unit shall be cast by the record Unit Owner thereof or the duly authorized proxy of the record Unit Owner in the manner provided in the Bylaws. Each Unit Owner is entitled to the number of votes for each Unit owned by him as set forth in Exhibit "E" attached hereto.

Section 4.03 Bylaws. The Bylaws of the Association shall be in the form attached as Exhibit "C" to this Declaration, and may be amended from time to time as set forth therein.

ARTICLE V

ASSESSMENTS

Section 5.01 Liability, Lien and Enforcement. The Association is given the authority to administer the operation and the management of the Condominium Property, it being recognized that the delegation of such duties to one entity is in the best interest of the Owners of all Units. To provide the funds necessary for such proper operation, the Association is hereby granted the right to make, levy, and collect annual assessments against the Owners of all Units to pay Common Expenses, Limited Common Expenses and such other expenses which

the Association is authorized to incur under the terms and conditions of this Declaration. The Association is also authorized to make, collect and levy assessments against Unit Owners for reimbursement of expenses the Association is caused to incur by reason of any act of the Unit Owner, Occupant, family members, guests, invitees or tenants for damages of any nature and for penalties for rules violations. In furtherance of said grant of authority to the Association to make, levy and collect assessments to pay the costs and expenses for the operation and management of the Condominium Property, the following provisions shall be effective and binding upon the Owners of all Units.

Section 5.02 Assessments.

(a) All assessments for the payment of Common Expenses and Limited Common Expenses shall be levied annually against the Owners of all Units, and unless specifically otherwise provided for in this Declaration, each Owner of a Unit and his Unit shall bear the same percentage share of such assessment as the percentage share of ownership for the undivided interest in the Common Elements appurtenant to said Unit; provided, however, the Association shall have the right to elect not to make an assessment for Common Expenses or require reserves for such initial periods of time as described in Section 13.03(c) below. The assessments for Common Expenses shall be payable over the course of the year in advance monthly installments commencing on the date of purchase of a Unit or in such other installments and at such times as may be determined by the Board of Directors of the Association.

(b) Assessments for the payment of Limited Common Expenses may be levied against the Owners of those Units to which the Limited Common Elements are appurtenant if the Board of Directors determines that it is the most equitable method of assessment for Limited Common Expenses. The Limited Common Expenses may also be included in Common Expenses and assessed in the same proportion as Common Expenses if the Board of Directors chooses this method of assessment. The assessments for Limited Common Expenses, if any, shall be payable in such installments and at such times as may be determined by the Board of Directors of the Association.

(c) The Association may assess the Owners of Units for the repair and maintenance of various components of the Common Elements or Limited Common Elements based on the usage of any component of the Common Elements or Limited Common Elements if the same can be measured with a degree of accuracy. Such assessments shall not be included in the assessment for Common Expenses, but shall be payable in such manner and at such times as may be determined by the Board of Directors of the Association.

Section 5.03 Required Reserve Funds and Working Capital Fund. A reserve fund shall be established, and each and every new Unit Owner purchasing a Unit shall pay an assessment of two (2) times of the then current monthly assessment per conveyance, at the purchase and sale of a Unit to be used by the Association and added to the reserve fund ("Reserve Fund Assessment"). The Board may reduce or increase said Reserve Fund Assessment on an annual basis without the necessity of amending this Declaration. Additional assessments levied by the Board of Directors of the Association shall include an adequate reserve fund for

maintenance, repair and replacement of those Common Elements that must be replaced or repaired on a periodic basis, and shall be payable in regular installments rather than by special assessments. The Board of Directors shall at all times have a reserve fund that is at a minimum 10% of the total annual budget and shall be used to fund long term capital expenses related to maintenance, repair and replacement of Common Elements *i.e.* roads, stormwater management facilities, lift stations, sidewalks. Special assessments may be levied by the Board in the event that there is insufficient money in the reserve fund for the maintenance, repair or replacement of any designated portion of the Common Elements.

A working capital fund shall be established and should the Board so determine in the future, then, a Unit Owner purchasing a Unit shall pay an assessment as determined by the Board, at each closing of the purchase and sale of a Unit and to be used by the Association as working capital ("Working Capital Assessment"). It is intended that the purchaser of a Dwelling Unit pay this one-time, per conveyance, assessment into the working capital account every time a unit is conveyed in an arm's length transaction, but not to affiliated or partially owned entities of the current owner *i.e.* a transfer from an individual to a company owned or partially owned by the same individual. The Developer may be reimbursed for Association startup expenses and items paid for by Developer, such as prepaid insurance, deposits and service contracts. Should the Board determine in its sole discretion that the reserve fund is sufficient then the Board may transfer money from the reserve fund to the working capital account. The Board shall further be able to modify the Reserve Fund Assessment or Working Capital Assessment in the future without necessitating an amendment to this Plan and may do so by resolution and recorded in its minutes.

current owner *i.e.* a transfer from an individual to a company owned or partially owned by the same individual. If for some reason the Developer is prohibited from using the working capital funds to defray any of its expenses, assessments, or construction costs, however, the Developer may be reimbursed for Association startup expenses and items paid for by Developer, such as prepaid insurance, deposits and service contracts. Should the Board determine in its sole discretion that the working capital fund is sufficient then the Board may transfer money from the working capital fund to the reserve fund.

Section 5.04 Annual Budget. Within sixty (60) days prior to the beginning of each calendar year, the Board of Directors of the Association shall adopt a proposed annual budget for such calendar year, and such budget shall project the amount of funds for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Property, including reasonable allowances for contingencies and reserves therefor, in accordance with the Law and this Declaration. Said budget shall take into account any projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. Within thirty (30) days after adoption of such annual budget by the Board of Directors of the Association, copies of said budget shall be made available to each Unit Owner and the Board shall set a date for a meeting of the Unit Owners to consider the budget not less than fourteen (14) nor more than thirty (30) days after delivery of the budget to the Unit Owners. Unless at the meeting a majority of the Unit Owners present in person or by proxy reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected the budget for the last year shall continue in effect

until such time as a new budget is ratified. If the budget is ratified the assessment for said year shall be established based upon such budget.

Should the Board of Directors at any time determine, in the sole discretion of said Board of Directors, that the assessments levied are or may prove to be insufficient for any reason, including emergencies and non-payment of any Owner's assessment, the Board of Directors shall have authority to levy such additional assessments as it shall deem necessary in accordance with the applicable provisions of the Condominium Documents and the Law.

Section 5.05 **Omission of Assessment.** The omission by the Association, before the expiration of any year, to fix the assessments for that or the next year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay assessments or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

Section 5.06 **Detailed Records.** The Association shall keep detailed, accurate records in chronological order of the receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements and any other expenses incurred. Records and vouchers authorizing the payments involved shall be available for examination by any Unit Owner or his representative, or by holders, insurers and guarantors of Mortgages secured by Units during regular business hours in a location designated by the Board of Directors in the county where the management company is located or in the County where the Condominium is located.

Section 5.07 **Payment of Common Expenses by Unit Owners.** All Unit Owners shall be obligated to pay any assessment for Common Expenses adopted by the Board of Directors pursuant to the terms of this Article V. No Unit Owner may exempt himself from liability for his contribution toward Common Expenses by waiver of the use or enjoyment of any of the Common Elements, or by abandonment of his Unit. No Unit Owner shall be liable for the payment of any part of the Common Expenses assessed against his Unit subsequent to a sale or other conveyance by him of such Unit. The purchaser of a Unit shall be jointly and severally liable with the selling Unit Owner for all unpaid assessments against the latter up to the time of conveyance without prejudice to the purchaser's right to recover from the selling Unit Owner the amounts paid by the purchaser therefor. Whenever any Unit may be sold or mortgaged by the Owner thereof, which sale shall be concluded only upon compliance with the other provisions of this Declaration, the Association, upon written request of the Owner of such Unit, any person having executed a contract for the Unit, or a lender considering the loan of funds to be secured by the Unit shall furnish to the requesting party (within any time period prescribed by the Law) a statement verifying the status of the payment of any assessment which shall be due and payable to the Association by the Owner of such Unit and any other information required by the Law. Any purchaser or proposed Mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction and the Association shall be bound by such statement. In the event that a Unit is to be sold or mortgaged when any assessment is outstanding against the Owner of such Unit and such assessment due the Association is in default, the purchase or mortgage proceeds shall first be paid by purchaser or mortgagee to the payment of any

delinquent assessment or installment due the Association before the payment of the proceeds to or on behalf of the selling Unit Owner.

Section 5.08 Default in Payment of Assessments.

(a) The obligation to pay any assessment or installment thereof due the Association shall be in default if such assessment or any installment thereof is not paid to the Association on or before the due date for such payment. When in default, the delinquent assessment or delinquent installment due the Association shall bear interest at the rate established by the Board of Directors not to exceed the maximum legal rate on judgments allowed by law or 18%, whichever is greater until such delinquent assessment or installment and all interest due thereon has been paid in full. The Association shall have a lien against Units for delinquent assessments. Said lien shall secure and does secure the monies due for all assessments then or thereafter levied against the Unit, and such lien shall also secure interest, if any, which may be due on the amount of any delinquent assessment owing the Association. Said lien shall also secure all costs and expenses, including late penalties, interest and reasonable attorneys' fees incurred by the Association in collecting delinquent assessments and enforcing the lien upon said Unit and its appurtenant undivided interest in the Common Elements. The lien granted to the Association may be foreclosed in the same manner as real estate mortgages in the State of Mississippi, but the Association shall give reasonable advance notice of its proposed action to the Unit Owner, the Mortgagee and all other lienholders of record of the Unit. The lien granted to the Association shall further secure such advances for taxes and payment on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to protect and preserve its lien, and the Association shall further be entitled to interest at the maximum legal rate on judgments allowed by law or 18% whichever is greater on any such advance made for such purpose. All persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Unit or who may be given or acquire a mortgage, lien or other encumbrance thereon are hereby placed on notice of the lien rights granted to the Association and shall acquire such interest in any Unit expressly subject to the lien.

(b) The lien herein granted to the Association shall be effective from and after the time of recording in the Office of the Chancery Clerk of Lafayette County, Mississippi, a notice of assessment which notice shall include the amount of such assessment, such other charges as may be permitted by the Law and/or the Condominium Documents, a description of the Unit against which the lien has been recorded, and the name of the record owner of the Unit. Such lien shall include only assessments which are due and payable when the action to enforce the lien is commenced plus late penalties and penalties imposed by the Association for Rules and Regulations violations, interest, costs, reasonable attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided.

Section 5.09 Election of Remedies. Institution of a suit at law to collect payment of any delinquent assessments shall not be deemed to be an election by the Association which shall prevent its thereafter seeking enforcement of the collection by foreclosure of any sums remaining owing to it; nor shall proceeding by foreclosure to effect such collection be

deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association. The Association shall be entitled to bid at any sale held in connection with the foreclosure of the assessment lien and may apply as a cash credit against its bid all sums secured by the lien enforced.

ARTICLE VI

MAINTENANCE AND OPERATION OF THE CONDOMINIUM PROPERTY

Section 6.01 **The Association's Obligation to Repair.** The Association, acting through the Board of Directors, shall be responsible for the maintenance, repair and replacement of the following, the cost of which shall be charged to all Unit Owners as either a Common Expense or to the Unit Owner for whose Unit the cost was incurred as a Limited Common Expense:

- (i) The Common Elements and Limited Common Elements;
- (ii) Incidental damage caused to a Unit by any work done by the Association;
- (iii) Any other portion of the Condominium Property that the Board of Directors determines should be maintained by the Association; and
- (iv) All underground storm, drainage, sewer, water, detention or other lines or systems underneath the Property (plans of which are on file with the City of Oxford Planning Department).

The Association shall also be responsible for the exterior maintenance, repair and replacement, including paint and exclusively determining paint and design of the exterior doors and windows of the Units, the cost of which shall be assessed against the Unit Owner as a special assessment.

This Section 6.01 shall not relieve a Unit Owner of liability for damage to the Common Elements, Limited Common Elements, a Unit of another person, adjacent property or any other property caused by the Unit Owner, Occupant, or family members, guests, invitees, lessees or licensees as a consequence of an accident or the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Unit Owner, Occupant, family members, guests, invitees, lessees or licensees, shall be a special assessment against the Unit Owner.

Section 6.02 Each Owner's Obligation to Repair.

(a) Except for those portions of the Condominium Property which the Association is required to maintain and repair, each Owner shall, at such Owner's expense, maintain such Owner's Unit in good tenantable condition and repair, and shall be responsible for the repair, maintenance and replacement, if necessary, of the following items in the Unit:

(i) The plumbing, heating, air conditioning and electrical systems serving only that Unit, whether located within or without the boundary of that Unit, including the fuse boxes, wiring, flues, and all other plumbing, electrical, or mechanical systems. In the event any such system or a portion thereof is within another Unit or requires access to another Unit, the repair, maintenance or replacement thereof shall be performed by the Association, and the cost thereof shall constitute an assessment against the Unit Owner responsible therefor;

(ii) The fixtures and equipment in his Unit, including the refrigerator, stove and all other appliances within the Unit; drains, sinks, plumbing and plumbing fixtures and connections within the Unit and serving only the Unit; electrical panels, wiring, outlets and electric fixtures within the Unit; interior doors, interior surfaces of the window frames, screening and glass; and interior surface of all exterior doors; all wall coverings including paint, wallpaper and light coverings; and all floor coverings, including carpeting, hardwood, vinyl and ceramic tile within a Unit.

(b) Each Unit Owner agrees as follows:

(i) To perform all maintenance, repairs and replacements which are his obligations under subparagraph (a) of this Section 6.02;

(ii) To pay all utilities as herein provided and all taxes levied against his Unit;

(iii) Not to make, or cause to be made, repairs to any plumbing, heating, ventilation or air conditioning systems required to be maintained by him under subparagraph 6.02(a)(ii), except by licensed plumbers, electricians or heating and air conditioning professionals;

(iv) Not to make any addition or alteration to the Unit or to the Common Elements or Limited Common Elements or not to do any act that would impair the structural soundness, safety or overall design scheme of any part of the Condominium Property or that would impair any easement or right of a Unit Owner without the prior written consent of the Association and all Unit Owners affected thereby;

(v) Not to make any alteration, addition, improvement, decoration, repair, replacement or change to the Common Elements, or to any outside or exterior portion of the Unit without the prior written consent of the Association;

provided that if such consent is granted, the Unit Owner shall use only a licensed and insured contractor approved by the Association, who shall comply with all Rules and Regulations with respect to the work which may be adopted by the Association, and the Unit Owner shall be liable for all damages to another Unit or to the Common Elements caused by any contractor employed by such Unit Owner or by the subcontractors or employees of such contractor, whether said damages are caused by negligence, accident, or otherwise; and

(vi) To promptly report to the Association any defects or needed repairs for which the Association is responsible. The Association shall have no responsibility whatsoever for any maintenance issue for which the Association has not received notice.

(c) The Association shall be obligated to answer any request by a Unit Owner for any required approval of a proposed addition, alteration or improvement (by painting or otherwise) within forty-five (45) days after such request, but its failure to do so within the stipulated time shall not constitute a consent of the Association to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Association, without, however, it incurring any liability on the part of the Board of Directors or any of them or the Association to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim of injury to a person or damage to property arising therefrom. The review by the Association under this Section 6.02 shall in no way make the Association liable for any alterations, additions, or improvements by any Unit Owner. Rather, such review is for purposes of aesthetics and control only. The provisions of this Section 6.02 shall not apply to Units owned by the Developer until a deed for such Unit has been delivered to a purchaser other than Developer.

(d) If a Unit Owner fails to maintain, repair or replace any portion of his Unit, then the Association may, upon advance reasonable notice as set forth in Section 7.06 below, enter the Unit and perform such maintenance, repair or replacement, the cost of which shall be levied as a special assessment against the Unit.

Section 6.03 Alterations, Additions and Improvements by the Association. Except in the case of loss or damage to the Common Elements as contemplated by Article IX of this Declaration, the Association shall not make any material structural alterations, capital additions or capital improvements to the Common Elements which require expenditures of more than \$10,000, over and above any funds used from the reserve fund for that purpose unless the same is authorized by the Board of Directors of the Association and ratified by the affirmative vote of the voting Members casting not less than seventy-five percent (75%) of the total votes of the Members of the Association present at any regular or special meeting of the Unit Owners called for that purpose at which a quorum is present and approved by a majority of the Mortgagees eligible to vote therefor. The cost of the foregoing shall be assessed against the Owners of Units as provided in Article V hereof, except as otherwise provided in this Section 6.03. Where any alterations or additions as aforesaid are exclusively or substantially exclusively for the benefit of the Unit Owners requesting the same, then the cost of such

alterations or additions shall be assessed against and collected solely from the Unit Owners exclusively, or substantially exclusively, benefiting therefrom, and the assessment shall be levied in such proportions as may be determined to be fair and equitable by the Board of Directors of the Association. Where such alterations or additions exclusively, or substantially exclusively, benefit Unit Owners requesting the same, said alterations and additions shall be made only when authorized by the Board of Directors and ratified by not less than sixty (60%) of the total votes of the Unit Owners exclusively, or substantially exclusively, benefiting therefrom. Alterations, improvements or repairs of an emergency nature may be made upon authorization by a vote of the majority of the Directors available for consultation if the same is necessary and in the best interest of the Unit Owners. Nothing in this Section 6.03 shall relieve the Association from its obligation to maintain, repair, and replace the Common Elements and Limited Common Elements of the Condominium Property as set forth in this Declaration and the Articles of Incorporation.

Section 6.04 Utilities. Each Unit Owner shall be required to pay all charges for utilities serving that Unit, including electricity, cable television, internet, and telephone service, used or consumed in an Owner's Unit unless assessed by the Association and included in the assessment. The Association may enter into agreements with the utility providers or utility monitoring companies to effect cost savings such as meter averaging, utility use measuring or use of a utility billing service. The utilities serving the Common Elements only shall be separately metered and paid by the Association as a Common Expense. The Association shall have authority, however, with regard to any utility, to use a common meter, or to pay the cost of such utilities used or consumed in the Units and have the costs thereof apportioned among the Units based upon the Common Expense or Limited Common Expense liability, a measurement of the use of the utility in each Unit, or any other formula the Board may deem appropriate.

ARTICLE VII

RESTRICTIONS ON USE OF UNITS, COMMON ELEMENTS

Section 7.01 Rules and Regulations of the Association. The Association is authorized to promulgate, amend and enforce Rules and Regulations concerning the operation and use of the Condominium; provided that such Rules and Regulations are not contrary to, or inconsistent with, the Law and the Condominium Documents. A copy of the Rules and Regulations shall be furnished by the Board of Directors to each Unit Owner prior to the time they become effective. All present and future Unit Owners or Occupants of the Units and any person who uses any part of the Condominium Property in any manner, are subject to, and shall comply with the provisions of the Condominium Documents and the Rules and Regulations. The acquisition, rental or occupancy of a Unit or the use of any part of the Condominium Property by any person shall constitute his agreement to be subject to and bound by the provisions of the Condominium Documents and the Rules and Regulations, and such provisions shall be deemed to be enforceable as equitable servitudes and covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated in full in each and every deed of conveyance or lease thereof. The Association may promulgate enforcement provisions for violation of any Rule or

Regulation by a Unit Owner, Occupant, family members, guests, invitees, lessees or renters, including the payment of penalties for such violations.

Section 7.02 **Restrictions on Use.** The use of the Condominium Property is subject to the following restrictions:

(a) There shall be no obstruction of the Common Elements or Limited Common Elements, nor shall anything be kept or stored in the Common Elements or Limited Common Elements (except outdoor furniture appropriate to the character and appearance of the Condominium which may be utilized by Owners and Occupants on balconies, patios and terraces, in the courtyards, and/or on the sidewalks appurtenant to the Unit), nor shall anything be constructed on or planted in or removed from the Common Elements or Limited Common Elements, nor shall the Common Elements or Limited Common Elements in any other way be altered without the prior written consent of the Association.

(b) No immoral, improper, offensive or unlawful use shall be made of any Unit, Common Elements, Limited Common Elements or any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction over the Condominium Property shall be observed.

(c) No Owner shall permit anything to be done or kept in his Unit or in the Common Elements or Limited Common Elements which will result in any increase of fire or hazard insurance premiums or the cancellation of insurance on any part of the Condominium Property, or which would be in violation of any law. No waste shall be committed to the Common Elements or Limited Common Elements.

(d) No sign of any kind shall be displayed to the public view on or from any part of the Condominium Property, without the prior written consent of the Board of Directors of the Association, except signs temporarily used by the Developer in the selling or leasing of the Units.

(e) No noxious or offensive activities shall be carried on, nor shall any outside lighting or sound speakers or other sound producing devices be used, nor shall anything be done, on any part of the Condominium Property which in the judgment of the Board of Directors of the Association, may be or become an unreasonable annoyance or nuisance to the other Owners.

(f) No Owner shall cause or permit anything to be placed on the Common Elements immediately surrounding the Unit. No awning, canopy, window air conditioning unit, shutter, or other fixture shall be affixed to or placed upon the exterior walls or roof of any building, or any part of the Unit or the Common Elements, without the prior written consent of the Board of Directors of the Association.

(g) No satellite dishes over one (1) meter shall be allowed on the Condominium Property at any time. Satellite dishes less than one (1) meter shall not be allowed on any part of the Common Elements of the Condominium except with the express approval of the Board of Directors as to location of the receiving equipment or

the dish. So long as the Association is providing cable and internet services and is compliant with federal law then satellite dishes less than one (1) meter shall not be allowed on any part of the Common Elements of the Condominium.

(h) No clothes, sheets, blankets, laundry of any kind or other articles shall be hung out or exposed from or on any part of the Common Elements or Limited Common Elements. The Common Elements and Limited Common Elements shall be kept clear of rubbish, debris and other unsightly materials.

(i) No one shall use or permit to be brought into any Unit or upon any of the Common Elements and Units any flammable oils or fluids such as gasoline, kerosene, naphtha or benzene, or other explosives or articles deemed extra hazardous to life, limb or property, without the written consent of the Board of Directors of the Association.

(j) No Owner or Occupant of a Unit may conduct any business, trade, garage sale, moving sale, rummage sale, or similar activity at or about the Condominium, whether within a Unit or otherwise, except that an Owner or Occupant may conduct business activities within the Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Unit; (ii) the business activity conforms to all zoning and other legal requirements for the Condominium; (iii) the business activity does not, in the Board's reasonable judgment, generate any vehicular or pedestrian traffic or increase the number of vehicles being parked on the Condominium; (iv) the business activity is consistent with the residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Condominium, as may be determined in the sole discretion of the Board and complies with applicable ordinances of the City of Oxford. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of compensation.

(k) No animal or pet shall be kept for commercial purposes nor be allowed to create or cause any disturbance or nuisance of any kind, and if an animal or pet does cause or create a nuisance or an unreasonable disturbance, said animal or pet shall be permanently removed from the Condominium Property within seven (7) days from the date the owner of the pet receives written notice from the Board of Directors to remove such animal or pet. There shall be no more than two (2) pets kept in a Unit at any time without the prior written approval of the Board of Directors. The owner of any pet or animal shall be liable for any and all damage caused by such animal or pet to any part of the Condominium Property, including Limited Common Elements. Notwithstanding the foregoing, no pot bellied pigs, venomous snakes, or animals deemed vicious or dangerous by the Board may be brought onto or kept on the Condominium Property at any time. Should an animal or pet leave waste that is not cleaned up by the Unit owner then the Association shall have the ability to levy fines, enter the property to clean up waste and charge the Unit Owner for any reasonable costs and/or have the pet permanently removed

after more than one (1) unreasonable disturbance, excessive, or waste incident in the Board of Directors sole discretion.

(l) No structure of a temporary character, trailer, tent, shack, carport, garage, barn or other outbuilding shall be erected by any Owner, other than the Developer, on any portion of the Condominium Property, at any time, either temporarily or permanently, without the prior written approval of the Board.

(m) The display or discharge of firearms or fireworks on the Common Elements or Limited Common Elements is prohibited; provided, however, that the display of lawful firearms on the Common Elements is permitted by law enforcement officers and also is permitted for the limited purpose of transferring firearms across the Common Elements to or from an Owner's dwelling so long as the firearm is not loaded and not carried in a threatening manner. The term "firearms" includes "B-B" guns, pellet guns and other firearms of all types, regardless of size.

(n) Any vehicle which is inoperable shall be immediately removed from the Condominium Property. No Owner or Occupant shall repair or restore any vehicle, machinery or equipment of any kind upon or within any Unit or on any portion of the Common Elements, except for emergency repairs and then only to the extent necessary to enable the immediate movement thereof to a proper repair facility located outside of the Condominium.

(o) With the sole exception of a plant or unlit ornamental wreath, no Dwelling Unit shall have displayed, hanging, stored, or use signs, stickers, emblems, insignias, pennants, flags, banners, ornaments, fixtures, foil, tinting material, clothing, sheets, blankets, laundry, or any other articles outside the Unit, or which may be visible from the outside of the Dwelling Unit without prior written consent of the Board of Directors of the Association. No fans, air conditioners, heaters, or similar objects will be permissible in any window or door opening.

(p) All window coverings, including but not limited to shades, curtains, sheers, drapes, blinds, etc., which are visible when looking at the exterior of the building shall be approved by the Board of Directors or an authority delegated by the Board. Notwithstanding the foregoing, any 2" white wood or faux wood blind may be used without the approval of the Board. The Dwelling Unit owner may use any other window covering for a window which is not in a "line of sight" a public road. The Board may alter the window treatments through the Association Rules and Regulations.

Section 7.03 **Traffic Regulations.** All vehicular traffic on the roads in the Condominium shall be subject to the applicable provisions of the laws of the State of Mississippi and any city or county having jurisdiction thereof concerning operation of motor vehicles on public streets even though the roads are private. The Association is hereby authorized to promulgate, administer, and enforce reasonable Rules and Regulations governing vehicular and pedestrian traffic, including adopting reasonable safety measures and speed limits for any of the roads within any portion of the Condominium to the extent not inconsistent with the laws of the local government. The Association shall be entitled to enforce such Rules and Regulations by

establishing such enforcement procedures as it deems appropriate, including levying fines for the violation thereof. In the event of any conflict between the provisions of the laws of the State of Mississippi and the traffic Rules and Regulations promulgated by the Association, the more restrictive shall govern.

Section 7.04 **Compliance With Governmental Regulations.** Each Owner and Occupant shall at all times comply with all applicable laws, ordinances, statutes, rules, regulations, requirements and code provisions of the governmental authorities.

Section 7.05 **Lease of Units.** Entire Units may be leased by the Unit Owners on a long term or short term basis i.e. AirBnB, VRBO; provided, however, that any such lease and the rights of any tenant thereunder are hereby made expressly subject to Condominium Documents in effect before and during the lease term and the power of the Association to prescribe reasonable rules and regulations relating to the lease and rental of Units and to enforce the same directly against such tenant or other Occupant by the exercise of such remedies as the Board deems appropriate; provided, however, that no restrictions shall be imposed which shall have the individual or cumulative effect of prohibiting or materially impairing the rental or lease of Units. This restriction on use shall be a covenant running with each Unit, creating a burden on each single Unit and Unit Owner for the benefit of every other Unit and Unit Owner. Notwithstanding anything contained in this Section to the contrary, each Owner shall be responsible for the actions of his Occupants and tenants and nothing herein or in any such lease shall relieve an Owner of his obligations under the Condominium Documents. Each Unit Owner who has or who shall lease his Unit irrevocably empowers and authorizes the Association or its managing agent to enforce the Rules and Regulations of the Association and to terminate the lease of and evict any tenant who fails to comply with said Rules and Regulations or who provides other sufficient cause for termination of the lease and eviction in accordance with the laws of the State of Mississippi, the Condominium Documents, or any contract for lease. The Association, the Board or its Managing Agent shall not become liable to any Unit Owner or tenant or other party for any loss of rents or other damages resulting from the reasonable exercise of the provisions of this Section. The provisions of this Section shall not be applicable to the Developer who is irrevocably empowered without any limitation at all times, whether for permanent or temporary occupancy to sell, lease or rent Units for any period and under any terms to any lessees or purchasers or transferees with the right to take any action necessary to consummate the sale or rental of said Units, including, but not limited to, the right to maintain model Units, post signs, use the Common Elements and show Units to prospective Occupants. Sales and rental office signs and all items pertaining to the rental or sale of Units by the Developer shall not be considered Common Elements and shall remain the property of the Developer. The Association may request and receive a copy of any sublease or rental agreement. The Association may request the name(s) of all tenants including the tenants' family members who will occupy the unit. The Association may not require that a prospective tenant be approved by the Association and/or its agent(s), including but not limited to meeting creditworthiness standards.

Section 7.06 **Right of Access.** Each Unit Owner grants a right of access to his Unit to the Association, and any other person authorized by the Association for the purpose of making inspections and for the purpose of correcting any condition originating in his Unit and threatening other Units, Common Elements or Limited Common Elements or for the purpose of

performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements within his Unit or any portion of the Unit, if any, or to correct any condition which violates the provisions of any Mortgage covering another Unit, or to enforce any provision of the Condominium Documents, provided that requests for entry are made in advance and that such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate whether the Unit Owner is present at the time or not. Each Unit Owner further grants a right of access to his Unit to the Developer or his agent, or other authorized representative who is not Developer's agent, for the purpose of making all repairs required by any warranty delivered to the Unit Owner at the closing of his Unit. To the extent that damages inflicted on the Common Elements, Limited Common Elements or any Unit through which access is taken, the Unit Owner or the Association, if it caused the same, shall be liable for the prompt repair thereof.

Section 7.07 **Limitation of Liability.** The Association shall not be liable for any failure of water or power supply, telephone, security, fire protection or other service to be obtained by the Association or paid for out of the Common Expense funds, for problems resulting from the operation or lack of operation of sewer lines servicing the Condominium Property, or for injury or damage to a person or property caused by the natural elements or resulting from electricity, water, snow or ice which may leak or flow from any portion of the Common Elements, Limited Common Elements or from any wire, pipe, drain, conduit, appliance or equipment, however, this provision does not relieve the Association from maintenance responsibility or for damage to the Units arising from or related to water intrusion from the Common Elements on account of maintenance or lack thereof. The Association shall not be liable to the Owner of any Unit for loss or damage, by theft or otherwise, of articles which may be stored upon any of the Common Elements or Limited Common Elements. No diminution or abatement of the Common Expense assessments, as herein elsewhere provided, shall be claimed or allowed for any reason, specifically including, for inconvenience or discomfort arising from the making of repairs or improvements to the Common Elements or to any Unit, or from any action taken by the Association to comply with any law or ordinance or with the order or directive of any municipal or other governmental or judicial authority or for the dispossession of the Unit Owner by reason of fire or other casualty, except to the extent covered by insurance.

Section 7.08 **Abatement of Violations.** The violation of any Rule or Regulation adopted by the Board of Directors of the Association or breach of the provisions of the Condominium Documents, shall give the Developer, the Association or any Unit Owner the right, in addition to any other right or remedy elsewhere available, to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach. All expenses of such actions or proceedings against a defaulting Unit Owner, including court costs, attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the highest lawful rate on judgments until paid, shall be charged to and assessed against such defaulting Owner, and the Association shall have a lien for all of the same upon the Unit of such defaulting Owner, upon all of his additions and improvements thereto and a security interest under the Mississippi Uniform Commercial Code upon all of his personal property in his Unit or located elsewhere on the Condominium Property. Nothing herein contained shall prevent an Owner from maintaining such an action or proceeding against the Association and the expense of any action to remedy a default of the Association shall be a

Common Expense if a court of competent jurisdiction finds the Association to be in default as alleged in such action or proceeding.

Section 7.09 **Failure of the Association to Insist on Strict Performance; No Waiver.** Failure of the Association to insist in any one or more instances upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment from the future performance of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of any assessment from an Owner with knowledge of the breach of any covenant hereof shall not be deemed to be a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board of Directors of the Association.

Section 7.10 **Development Right to Use by Developer.** Subject to the rights of the Mortgagees hereunder, neither the Owners nor the Board of Directors of the Association nor their use of the Condominium Property or application of this Declaration shall interfere with the Developers' completion of the contemplated improvements or sales of the Units in the Condominium or development of the Additional Property. Subject to the rights of the Mortgagees hereunder, the Developer may make such use of the unsold Units and the Common Elements as may facilitate such completion and sale, including, but not limited to, maintenance of a sales office, management office and model Units, the showing of the Condominium Property and the Units therein, the display of signs, advertising materials, balloons and other promotional items thereon and therein. These rights exist so long as Developer holds any Unit in the Condominium for sale in the ordinary course of business. The Developer expressly reserves the right to lease any Unit which it may own in the Condominium Property on such terms as it may deem proper and desirable and may transfer Units subject to such lease. If Developer or its wholly or partially owned subsidiaries or assigns leases a Unit then said entity will not be subject to Section 7.05, herein and may lease a Unit in any legal manner.

ARTICLE VIII

RIGHTS OF MORTGAGEES

Section 8.01 **Notification of Mortgagees Required.** Any Mortgagee who properly notifies the Association in accordance with Section 8.04 below, shall have the right to be given written notification by the Association of (a) any sixty (60) day default by the Owner of the Unit covered by the Mortgage in the payment of assessments or in any other provision of the Condominium Documents; (b) any loss to or taking of the Common Elements or Limited Common Elements if such loss or taking exceeds \$10,000; (c) damage to a Unit covered by the Mortgage if the amount of such damage exceeds \$5,000; (d) any condemnation of all or a portion of the Condominium Property; (e) a lapse or cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and (f) any proposed action that requires the consent of a specified percentage of Mortgagees.

Section 8.02 **Right of Inspection.** Mortgagees shall have the right to examine the books and records of the Association or the Condominium Property and to receive annual reports, other financial data, and, upon written request, an annual audited statement, within one hundred and twenty (120) days following the end of any fiscal year of the Association.

Section 8.03 **Priority of Mortgagees.**

(a) Any lien which is or may be created hereunder upon any Unit, including, but not limited to, the lien created for assessments under Section 5.08 hereof and the right to foreclose the same is and shall be subject and subordinate to and shall not affect the rights of the holder of the indebtedness secured by any Mortgage upon such interest made in good faith and for value and recorded prior to the creation of the lien hereunder, provided that after the foreclosure of any such Mortgage there may be a lien created pursuant to Section 5.08 hereof on the interest of the purchaser as an Owner after the date of such foreclosure sale to secure all assessments hereunder. After the date of such foreclosure sale, said lien, if any, shall be claimed and shall have the same effect and be enforced in the same manner provided herein.

(b) No provision of this Declaration, the Articles, the Bylaws or the Rules and Regulations shall be construed to grant to any Unit Owner, or to any other party any priority over any rights of the Mortgagees of the Units pursuant to their Mortgages in the case of distribution to Unit Owners of the insurance proceeds or condemnation awards for losses or a taking of Units or the Common Elements or any portion thereof.

(c) As may be provided in the Law, all assessments, property taxes and other charges imposed by any taxing authority which may become liens prior to a Mortgage, shall be separately assessed against and collected on each Unit as a single parcel, and not on the Condominium Property as a whole.

(d) No breach of the covenants, conditions or restrictions herein contained shall defeat or render invalid the lien of any Mortgage made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or otherwise.

Section 8.04 **Request for Protection by Mortgagees.** Whenever the holder of any Mortgage desires the benefit of the provisions of this Article VIII to be applicable to it, it shall serve written notice of such fact upon the Association, by registered or certified mail, identifying the Unit upon which it holds a Mortgage or identifying any Units owned by it, together with sufficient pertinent facts to identify any Mortgage which may be held by it. Said notice shall designate the place to which the notices are to be given by the Association to such Mortgagee. Should the Association send notice of any action requiring the affirmative vote of the Mortgagee, and the Mortgagee shall not respond within sixty (60) days from notice of such right, the Mortgagee shall be deemed to have given its implied consent to such action.

ARTICLE IX

CASUALTY LOSS AND INSURANCE

Section 9.01 Responsibility of Owners; Separate Insurance Coverage.

(a) The Owner of each Unit shall obtain an insurance policy for liability and property damage which may be caused by any Unit Owner or Occupant of the Unit or for any condition that may arise from the Unit in an amount not less than \$500,000. Proof of such insurance shall be provided to the Association at Closing of the Unit and thereafter at least annually, upon the request of the Association, which amount may be changed from time to time. Further, the Owner of each Unit may, at his expense, obtain insurance coverage for loss of or damage to any furniture, furnishings, personal effects, and other property belonging to such Owner. Risk of loss of or damage to any furniture, furnishings and personal property belonging to or carried on the person of the Owner, or which may be stored in any Unit, or in or upon Common Elements shall be borne by the Owner of each Unit. All furniture, furnishings and personal property constituting a portion of the Common Elements and held for the joint use and benefit of all Owners of Units shall be covered by such insurance as shall be maintained in force and effect by the Association as hereinafter provided. All insurance obtained by the Owner of each Unit shall, whenever such provisions shall be available, provide that the insurer waives its right of subrogation as to any claims against other Owners, the Association or Developer, and their respective Occupants, servants, agents, employees and guests.

(b) Any Owner who obtains an individual insurance policy covering any portion of the Condominium Property other than the Unit and personal property belonging to such Owner shall be required to file a copy of such individual policy or policies with the Association within thirty (30) days after the purchase of such insurance. In the event casualty insurance maintained by an Owner causes a decrease in the amount of the insurance coverage maintained by the Association for the benefit of all Owners on a casualty loss to the Condominium Property by reason of pro ration or otherwise, the Owner so maintaining such insurance shall be deemed to have assigned to the Association the proceeds collected on such policy for loss or damage to the Condominium Property and such proceeds shall be paid directly to the Association by the insurer. Any such insurance proceeds shall be applied and distributed by the Association in accordance with this Article IX.

Section 9.02 Insurance to be Maintained by the Association.

(a) Hazard Insurance. The Association shall obtain and maintain at all times a policy or policies of multi-peril type hazard insurance, including insurance for such other risks of a similar or dissimilar nature, as are or shall hereafter customarily be covered with respect to other condominium projects similar in construction, design and use, insuring the Condominium Property against loss or damage by the perils of fire, lightning and those perils contained in extended coverage, vandalism and malicious mischief endorsements, and if the Condominium Property is located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards, the Board

shall, to the extent obtainable, insure the insurable property included in the Condominium Property against the perils of flood under the National Flood Insurance Act of 1968 and acts amendatory thereto. The amount of insurance coverage shall be determined on a replacement cost basis in an amount not less than one hundred percent (100%) of the then current replacement cost of the improvements which constitute the Condominium Property, including the Common Elements, Limited Common Elements and the Unit as purchased by the Unit Owner (but excluding land, foundations, excavations and other items usually excluded from such insurance coverage). Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association or the Insurance Trustee (hereinafter defined), as trustee for the use and benefit of the individual Owners (without naming them) in the proportionate shares equal to their respective percentage ownership of the Common Elements. Periodically, prior to the renewal of any such policy or policies of insurance, the Association should obtain an opinion or an appraisal from a qualified appraiser for the purpose of determining the full replacement cost of the Common Elements, the Limited Common Elements and the Units for the amount of insurance to be obtained pursuant hereto. The cost of any such opinion or appraisal shall be a Common Expense. All such policies of insurance shall comply with the provisions of Section 9.03 hereof and shall (i) contain standard mortgagee clause endorsements in favor of the Mortgagee or Mortgagees of each Unit, if any, as their respective interest may appear; and (ii) provide that the insurance shall not be invalidated by any act or neglect of any Owner.

(b) Public Liability and Property Damage Insurance. The Association shall obtain and maintain at all times a comprehensive policy or policies of public liability and property damage insurance in such amount to be determined by the Association (but not less than \$1,000,000) and in such form as shall be required by the Association to protect said Association and the Owners of all Units which provide coverage for bodily injury and property damage resulting from the operation, maintenance or use of the Common Elements and for legal liability resulting from employment contracts to which the Association is a party.

(c) Workmen's Compensation Insurance. The Association shall obtain and maintain at all times a policy or policies of workmen's compensation insurance to meet the requirements of the laws of the State of Mississippi.

(d) Fidelity Bonds. The Association shall obtain and maintain fidelity bonds for any person who either handles or is responsible for funds held or administered by the Association naming the Association as the obligee. The amount of the fidelity bond should cover the maximum funds that will be in the custody of the Association, but not less than the sum of three (3) months' assessments on all Units, plus the reserve funds of the Association.

(e) Directors and Officers Liability Insurance. The Association shall maintain Directors and Officers liability insurance in an amount to be determined by the Board of Directors.

(f) Other Insurance. The Association shall obtain and maintain such other insurance coverage as the Board of Directors of the Association, in its sole discretion, may determine from time to time as required by State or Federal Law or to be in the best interest of the Association and the Owners of all Units.

Section 9.03 Governing Provisions. All insurance obtained and maintained by the Association as provided in Section 9.02 above shall be governed by the following provisions:

(a) All policies shall (i) comply with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association as they shall apply to condominium loans; and (ii) be written with a company licensed to do business in the State of Mississippi and holding a financial rating of Class V or better and a general policyholders rating of "A" or better by Best's Insurance Reports or other then comparable rating. To the extent that the provisions of this Declaration with respect to the maintenance of insurance shall conflict with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, then the requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association shall control and such requirements shall be complied with by the Association.

(b) Exclusive authority to adjust all claims under the policies hereafter in force on the Condominium Property shall be vested in the Association or its authorized representatives.

(c) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with the insurance purchased by the individual Owners or their Mortgagees.

(d) The Association shall be required to make every effort to secure insurance policies that will provide for the following:

(i) A waiver of subrogation by the insurer as to any claims against the Association, the Board of Directors, the Developer or the Owners;

(ii) An agreement by the insurer that the insurance coverage cannot be terminated or materially changed without thirty (30) days' prior written notice to the Association and the Mortgagee of each Unit;

(iii) The insurance coverage will be primary, even if a Unit Owner has other insurance that covers the same loss; and

(iv) No act or omission by any Unit Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

Section 9.04 **Premiums and Deductibles.** Premiums for insurance policies purchased by the Association shall be paid by the Association as a Common Expense; except that the amount of increase over the usual premium occasioned by the use, misuse, occupancy or abandonment of a Unit or its appurtenances or of the Common Elements by an Owner shall be assessed against that Owner. Any deductible incurred by reason of a loss or claim under any insurance policy purchased under this Article IX shall be paid by the Association, unless such loss or claim was caused by any Unit Owner, lessee or guest or invitee thereof or resulted from the use, misuse, occupancy, negligence or abandonment of a Unit or any portion thereof. In such event the Unit Owner from whose Unit the cause originated, will be responsible for the deductible under the Association's insurance policy.

Section 9.05 **Insurance Trustee.** The Association may engage the services of a bank or trust company authorized to do trust business in the State of Mississippi and having a capital and surplus of not less than \$50,000,000 to act on its behalf as an insurance trustee ("Insurance Trustee") and to receive and disburse the insurance proceeds in accordance with the provisions of this Declaration. In the event the lowest of two bids from reputable contractors for making all repairs required by any such loss shall exceed \$50,000, the Association, upon written demand of the Mortgagee of any Unit, shall engage the services of a bank or trust company to act as Insurance Trustee as aforesaid. The Association, as a Common Expense, shall pay a reasonable fee to said Insurance Trustee for its services rendered hereunder, and shall pay such costs and expenses as said Insurance Trustee may incur in the performance of any duties and obligations imposed upon it hereunder. Said Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then for only such money which comes into the possession of said Insurance Trustee. Whenever the Insurance Trustee may be required to make distribution of insurance proceeds to Owners of Units and their Mortgagees, as their respective interests may appear, or to any other party for repair, replacement or reconstruction of property, the Insurance Trustee may rely upon a certificate of the President and Secretary of the Association, executed under oath, which certificate will be provided to said Insurance Trustee upon request made to the Association. Such certificate is to certify unto said Insurance Trustee the name of the Owner of each Unit, the name of the Mortgagee who may hold a Mortgage encumbering each Unit, and the respective percentages of any distribution which may be required to be made to the Owner of any Unit, and his respective Mortgagee, as their respective interests may appear, or to certify the name of the party to whom payments are to be made for repair, replacement or reconstruction of all or a portion of the Condominium Property. The rights of the Mortgagee of any Unit under any standard mortgage clause endorsement to such policy shall, notwithstanding anything to the contrary therein or in any Mortgage contained, at all times be subject to the provisions hereof with respect to the application of insurance proceeds to reconstruction of the damaged Condominium Property; provided, however, that if the Association or the Insurance Trustee fails to perform all the conditions precedent required by the policy or policies of insurance, and fails to collect the amount of the loss within the time required by law, and the Mortgagee or Mortgagees are required to avail themselves of their rights under the standard mortgage clause to collect the proceeds of the policy or policies of insurance, any amount so collected through the efforts of said Mortgagee or Mortgagees shall be applied as directed by said Mortgagee or Mortgagees. No provision hereof shall entitle an Owner or any other party to any priority over a Mortgagee with respect to the distribution of any insurance proceeds with respect to such Unit.

Section 9.06 **Loss to Common Elements Only.** In the event of the loss of or damage to only Common Elements, real or personal, by reason of fire or other casualties, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or the Insurance Trustee, as the case may be, to cover such loss or damage shall be applied to the repair, replacement or reconstruction of such loss or damage. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction of such Common Elements, then such excess insurance proceeds shall be paid by the Association or Insurance Trustee to the Owners of all Units, the distribution to be separately made to the Owner of each Unit and his respective Mortgagee, as their interests may appear, in such proportion that the share of such excess insurance proceeds paid to the Owner of each Unit and his Mortgagee shall bear the same ratio to the total excess insurance proceeds as the undivided interest in the Common Elements appurtenant to each Unit bears to the total undivided interest in the Common Elements appurtenant to all Units. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire or casualty loss or damage payable to the Association or the Insurance Trustee are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be so sufficient, then the Association shall pay, or shall deposit with the Insurance Trustee, as the case may be, a sum, which together with the insurance proceeds received or to be received, if any, will enable said Insurance Trustee to completely pay for the repair, replacement or reconstruction of any loss or damage, as the case may be. The monies to be so paid, or deposited by the Association with the Insurance Trustee, may be paid by the Association out of its reserve for replacement fund and if the amount in such reserve for replacement fund is not sufficient, or if the Board of Directors determines not to use such fund for said purpose, then the Association shall levy and collect an assessment against the Owners of all Units in an amount which shall provide the funds required to pay for said repair, replacement or reconstruction.

Section 9.07 **Loss to Common Elements and/or Improvements Located on the Units.** In the event of loss of or damage to Common Elements, Limited Common Elements and/or any Unit by reason of fire or other casualty, which loss or damage is covered by the Association's blanket fire and casualty insurance, the proceeds paid to the Association or Insurance Trustee, as the case may be, to cover such loss or damage, shall be first applied to the repair, replacement or reconstruction of the Common Elements and any remaining insurance proceeds shall be applied to the repair, replacement or reconstruction of any Unit which may have sustained any loss or damage so covered. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction of the Common Elements and the Units sustaining any loss or damage, then such excess insurance proceeds shall be paid and distributed by the Insurance Trustee to the Owners of all Units, and to their Mortgagees, as their respective interests may appear. Such distributions are to be made in the manner and in the proportions as are provided for the distribution of insurance proceeds under Section 9.06 above. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty loss or damage payable to the Association or the Insurance Trustee, as the case may be, are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be sufficient, then the Board of Directors of the Association shall, based on reliable and detailed estimates obtained by it from competent and qualified parties, determine and allocate the cost of repair, replacement or reconstruction among the Common Elements and the Units sustaining any loss or damage. If the proceeds of said fire or casualty insurance, if any, are sufficient to pay for the repair, replacement

or reconstruction of any loss of or damage to the Common Elements but are not sufficient to repair, replace or reconstruct any loss of or damage Units sustaining damage, then the Association shall levy and collect an assessment from the respective Owners of the Units sustaining any loss or damage, and the assessment so collected from said Owners shall be deposited with the Insurance Trustee, so that the sum on deposit with said Insurance Trustee shall be sufficient to completely pay for the repair, replacement or reconstruction of all Common Elements and Units. In said latter event, the assessment to be levied and collected from the Owners of the Units shall be apportioned among such Owners in such manner that the assessment levied against each Owner of a Unit shall bear the same proportion to the total assessment levied against all of said Owners of Units sustaining loss or damage as the cost of repair, replacement or reconstruction of each Owner's Unit bears to the cost applicable to all of said Units sustaining loss or damage. If the fire or casualty insurance proceeds, if any, payable to the Association or the Insurance Trustee are not an amount which will pay for the complete repair, replacement or reconstruction of the Common Elements it being recognized that such insurance proceeds are to be first applied to the payment for repair, replacement or reconstruction of said Common Elements before being applied to the repair, replacement or reconstruction of any Unit sustaining loss or damage, then the cost to repair, replace, or reconstruct said Common Elements in excess of available fire and casualty insurance proceeds shall be levied and collected as an assessment from the Owners of all Units in the same manner as would be levied and collected had the loss or damage sustained been solely to the Common Elements and the fire or casualty insurance proceeds had been insufficient to cover the cost of repair, replacement or reconstruction. The cost of repair, replacement or reconstruction of each Unit sustaining loss or damage shall then be levied and collected by assessment against the Owners of the Units sustaining the loss or damage in the same manner as is above provided for the apportionment of such assessment between Owners of Units sustaining loss or damage.

Section 9.08 **Estimates of Repair; Plans and Specifications; Payment of Assessments.** In the event of loss or damage to Condominium Property, the Association shall, within sixty (60) days after any such occurrence, obtain reliable and detailed estimates of the cost of restoring damaged property to a condition as good as that which prevailed before such loss or damage. The estimate of repair shall be based upon the plans and specifications of the original Unit, as reflected on Exhibit "D" to this Declaration as the same may from time to time be amended, or such other plans and specifications as may be approved by the Board of Directors of the Association, by all of the Owners of the damaged Units, and by not less than seventy-five percent (75%) of the Owners of all Units and their respective Mortgagees including the Owners of damaged Units. The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing the Unit Owners in any proceeding, negotiation, settlement, or agreement arising from any loss or damage to the Condominium Property. Such estimates are to contain and include the cost of any professional fees and premiums for such bonds as the Board of Directors of the Association may deem to be in the best interest of the membership of said Association. Whenever it shall appear that the insurance proceeds payable for such loss or damage will not be sufficient to defray the cost of repair, replacement or reconstruction thereof, the additional money required to completely pay for such repair, replacement or reconstruction of said loss or damage whether to be paid by all of the Owners of Units or only by the Owners of Units sustaining loss or damage, or both, as herein provided, shall be paid to the Association and deposited with the Insurance Trustee, if any, not later than thirty (30) days from the date on

which the Association or the Insurance Trustee, as the case may be, shall receive the monies payable from the policies of fire and casualty insurance, unless otherwise delayed by the Board.

ARTICLE X

CONDEMNATION

Section 10.01 Condemnation Considered a Casualty Loss. The taking of a portion of a Unit or the Common Elements by eminent domain shall be deemed to be a casualty loss, and except as otherwise provided in Section 10.02 below, the awards for such taking shall be deemed to be proceeds from insurance on account of the casualty and shall be applied and distributed by the Association in accordance with the provisions of Article IX. Even though the awards may be payable to the Owners, the Owners shall deposit the awards with the Association or Insurance Trustee, as the case may be; and in the event of failure to do so, in the discretion of the Board of Directors of the Association, a special assessment shall be made against a defaulting Owner in the amount of his award, or the amount of such award shall be set off against the sums hereinafter made payable to such Owner. If any Unit or portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Mortgagee of such Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition as provided in Section 8.01, and no provision hereof shall entitle the Owner of such Unit or other party to priority over such Mortgagee with respect to the distribution of any award or settlement to the Owner of the Unit.

Section 10.02 Partial Condemnation. In the event that the Condominium Property is not to be terminated and one or more Units are taken in part, the taking shall have the following effects:

(a) If the taking reduces the size of a Unit and the remaining portion of that Unit can be made tenantable, the award for the taking for a portion of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:

(i) The Unit shall be made tenantable and if the cost of such work exceeds the amount of the award, the additional funds shall be assessed against the Owner of the Unit.

(ii) The balance of the award, if any, shall be distributed to the Owner of the Unit and the Mortgagee of the Unit, as their respective interests may appear.

(iii) If there is a balance of the award distributed to the Owner and the Mortgagee, the share of the Common Elements appurtenant to the Unit shall be equitably reduced. This shall be done by reducing such share by the proportion which the balance of the award so distributed bears to the market value of the Unit immediately prior to the taking, and then recomputing the shares of all Owners in the Common Elements as percentages of the total of their shares as reduced by the taking.

(b) If the taking destroys or so reduces the size of a Unit so that it may not be made tenantable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:

(i) The market value of such Unit immediately prior to the taking, shall be paid to the Owner of the Unit and to each Mortgagee of the Unit, as their respective interests may appear.

(ii) The remaining portion of such Unit, if any, shall become a part of the Common Elements and shall be placed in condition for use by all of the Owners, in the manner approved by the Board of Directors of the Association; provided, however, that if the cost of such work shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner required for further improvement of the Common Elements under Section 6.03 above.

(iii) The shares in the Common Elements appurtenant to the Units which continue as a part of the Condominium Property shall be equitably adjusted to distribute the ownership of the remaining Common Elements among the reduced number of Owners. This shall be done by recomputing the shares of such continuing Owners in the Common Elements as percentages of the total of the shares of such Owners as they exist prior to the adjustment.

(iv) If the amount of the award for taking is not sufficient to pay the market value of the condemned Unit to the Owner and to restore the remaining portion of the Unit in condition for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by assessments against all of the Owners who will continue as Owners of the Units after the changes in the Condominium Property affected by the taking. Such assessment shall be made in proportion to the share of such Owners in the Common Elements after the changes affected by the taking.

(c) If the market value of a Unit prior to the taking cannot be determined by agreement between the Owner and the Mortgagee and the Association within thirty (30) days after notice by any such party that agreement cannot be reached, such value shall be determined by three independent qualified appraisers with one appraiser to be selected by the Association, one (1) appraiser to be selected by the Owner and Mortgagee, and the third appraiser to be selected by the two (2) appraisers so appointed, and the fair market value of the Unit shall be deemed to be the average of the two appraisals of the fair market value of the Unit made by said appraisers having the least difference in amount. The cost of such appraisal shall be assessed against all Owners in the shares of the Owners in the Common Elements as they existed prior to the changes affected by the taking.

(d) Changes in the Units, in the ownership of the Common Elements and in the share of liability for Common Expenses which are affected by eminent domain, shall

be evidenced by an amendment of this Declaration which needs be approved only by a majority of the Board of Directors of the Association.

Section 10.03 Association Appointed As Attorney-In-Fact for Unit Owners. The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing such Unit Owners in any proceeding, negotiation, settlement or agreement arising from the condemnation or taking by eminent domain of the Condominium Property or any portion thereof.

ARTICLE XI

TERMINATION

Section 11.01 Termination by Consent. Except in the event of a condemnation of all Units by eminent domain, this Declaration and plan of condominium ownership established herein may only otherwise be terminated by the consent of the Owners of Units to which at least eighty (80%) of the votes in the Association are allocated and seventy-five percent (75%) of the votes of all Mortgagees, in which event the termination of the Condominium Property shall be by such plans as may be then adopted by at least eighty (80%) percent of the votes in the Association and seventy-five (75%) percent of the Mortgagees. Such election to terminate this Declaration and the plan of condominium ownership established herein shall be evidenced by a termination agreement executed in writing by all of the aforesaid parties in recordable form, and such instrument shall be recorded in the Office of the Chancery Clerk of Lafayette County, Mississippi. Any termination agreement and the ownership of the property which constituted the Condominium Property and all other assets of the Association shall be subject to the terms and provisions of § 89-9-1, et seq. of the Law.

Section 11.02 The Association Appointed as Attorney-In-Fact for Unit Owners. The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing such Unit Owners in any proceeding, negotiation, settlement or agreement arising from the termination of this Declaration and plan of condominium ownership established herein.

ARTICLE XII

AMENDMENT

Section 12.01 Amendments by Developer. Without limiting the rights of the Developer or Successor Developer, if any, to amend the Plans as described in Section 2.02 above or to exercise development rights as set forth in Articles II and III above, and notwithstanding any other provision herein contained, the following provisions shall be deemed to be in full force and effect.

(a) The Developer reserves the right to amend the Articles and Bylaws of the Association until such time as Developer relinquishes control of the Association as provided in Section 13.01 below.

(b) The Developer reserves the right to amend this Declaration and the Condominium Documents so long as there is no Unit Owner other than the Developer.

(c) The Developer, unilaterally, reserves the right at any time to amend this Declaration without the consent of other Owners if required by any Mortgagee as a condition of making a loan secured by an interest in a Unit in order to meet the requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association; provided that any such changes or amendments requested by a Mortgagee shall not materially affect the rights of the Unit Owners or the value of the Condominium Unit or the undivided interest in the Common Elements if any, attributable to each Unit Owner.

(d) The Developer reserves the right to amend the Declaration to exercise any and all development rights set forth in this Declaration, to correct any scrivener's error in the Declaration and to assign or reassign Limited Common Elements.

(e) The rights and obligations of the Developer shall also mean the Successor Developer, if any.

Section 12.02 Amendments by Unit Owners. At such time as there is a Unit Owner other than the Developer, then, in addition to the amendments permitted under Section 12.01 above, the Declaration may be amended in the following manner:

(a) A proposal to amend this Declaration may be considered at any meeting of the Members of the Association called for that purpose in accordance with the provisions of the Bylaws; provided that the Association provides prior written notice of such meeting to the Mortgagees as provided in Section 8.01 above. The proposal to amend the Declaration must be approved by the affirmative vote of the members representing not less than eighty percent (80%) of the total allocated votes of the Association and by the affirmative vote of the Mortgagees representing at least fifty-one percent (51%) of the total allocated votes of the Units subject to Mortgages.

(b) Notwithstanding the foregoing 12.02(a), no amendment to the Declaration under this Article XII shall:

(i) change a Unit, including the ownership in Common Elements, responsibility for Common Expenses and voting rights, without the prior written approval of the Unit Owner or Unit Owners so affected and prior written approval of the holders of record of any mortgage or other liens on the Unit or Units so affected;

(ii) change, impair or prejudice the rights of Developer or change the provisions of this Declaration with respect to the Developer's rights hereunder without Developer's prior written approval.

(c) **Implied Approval of Mortgage Holder.** An eligible Mortgage Holder will be deemed to have implied approval if that Mortgage Holder fails to submit a response to any written proposal, request or approval for any amendment of the

Declaration within sixty (60) days after it receives proper notice of the proposal, request, or approval of the Declaration, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

(d) The City of Oxford shall be required to approve any amendment to the Stormwater Management Facilities. Any modification of any Stormwater Management Facilities must be approved by the City of Oxford whether modified or amended on the Plat or this Declaration.

Section 12.03 Effectiveness of Amendments. A copy of each amendment so adopted shall be certified by the President or a Vice President and Secretary or Assistant Secretary of the Association as having been duly adopted, and shall be effective when recorded in the Office of the Chancery Clerk of Lafayette County, Mississippi.

CONTROL OF THE ASSOCIATION

Section 12.04 Election of Board of Directors. The Developer, its successors and assigns, may control by appointing and removing officers and members of the Board until the earlier of (a) sixty (60) days have elapsed since seventy-five percent (75%) of the Units which may ever be created in the Condominium have been conveyed to purchasers of Units other than the Developer, (b) two (2) years have elapsed since Developer has ceased offering Units that may have been created in the Condominium for sale in the ordinary course of business, or (c) two (2) years have lapsed since Developer last exercised a development right to add new Units to the Condominium, or (d) the Developer elects, at its option, to terminate control of the Association, whichever first occurs. Not later than ninety (90) days after conveyance of twenty-five percent (25%) of the Units which may be created to Unit Owners other than the Developer, the Unit Owners other than Developer shall be entitled to elect at least one member or twenty-five percent (25%) of the members of the Board. Not later than ninety (90) days after conveyance of fifty percent (50%) of the Units which may be created to Unit Owners other than Developer, not less than thirty-three and one-third percent (33 $\frac{1}{3}$ %) of the members of the Board may be elected by the Unit Owners. The Developer shall be entitled to elect at least one (1) member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business at least one (1) Unit. Within sixty (60) days before the date of termination of control of the Association by the Developer, the Board of Directors shall call and give not less than ten (10), nor more than thirty (30), days' notice of a special meeting of the membership for the purpose of electing the members of the Board of Directors.

Section 12.05 Notice of Meeting. Within sixty (60) days before the date of termination of control of the Association by the Developer, the Association shall call a meeting of the Unit Owners for the purpose of electing the members of the Board of Directors of the Association. Such meeting shall be called and the notice given in accordance with the Bylaws.

Section 12.06 Status of Unsold Units.

(a) Developer shall be deemed to be the Owner of each Unit which has not been conveyed to a person other than the Developer. Unless otherwise provided in the

Condominium Documents, the Developer shall be entitled to all rights and privileges available to, and shall be subject to any and all obligations and duties imposed upon, the Owner of any such Unit under the Condominium Documents.

(b) Any person having a first mortgage lien against any Unit which has not been conveyed to a person other than Developer, whether under a blanket mortgage affecting the Condominium Property generally or under a mortgage on one or more specific Units, shall be deemed to be a Mortgagee with respect to any such Unit, and shall be entitled to all rights and privileges available to a Mortgagee of any such Unit under the Condominium Documents so long as the Mortgagee has given notice to the Association that it is a Mortgagee.

(c) During the first year of operation of the Association, the Association may modify the initial operating budget to account for items under warranty, less than full occupancy and all other startup cost savings. The amount equal to two (2) months' assessments paid into the working capital fund shall be based on the amount allocated to the Units under the estimated operating budget, however. Notwithstanding the provisions of Sections 5.02 and 13.03(a) above, no assessments shall be imposed by the Association against the Developer as the Owner of unsold Units until sixty (60) days after the conveyance of the first Unit. During such period, Developer shall be responsible for the proportionate share of the Common Expenses of the Condominium Property related to the unsold Units, except that the Developer shall be entitled to use and apply to the payment of such Common Expenses a pro rata share of any and all assessments made against the Unit Owners other than Developer and collected by the Association for Common Expenses. The Developer shall be solely responsible for the maintenance, repair and operation of the unsold Units.

ARTICLE XIII

DISPUTE RESOLUTION

Section 13.01 Agreement to Resolve Disputes Without Litigation.

(a) The Developer, the Association and its officers, directors, and committee members, all Unit Owners, all persons subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Party"), agree that it is in the best interest of all concerned to resolve disputes involving the Condominium, the Association and/or the Owners without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim (hereinafter defined), and to submit such Claim to the alternative dispute resolution procedures set forth in Section 14.02 in a good faith effort to resolve such Claim.

(b) As used in this Article, the term "Claim" shall refer to any claim, grievance or dispute arising out of or relating to:

(i) the interpretation, application, or enforcement of the Condominium Documents; or

(ii) the rights, obligations and duties of any Bound Party under the Condominium Documents or related agreement;

except that the following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 14.02:

(i) any suit by the Association to collect assessments or other amounts due from any Owner;

(iii) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of this Declaration;

(iv) any suit between Owners, which does not include Developer or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Condominium Documents;

(v) any suit in which any indispensable party is not a Bound Party, except the construction contractor or subcontractors, sales agent or broker or the condominium architect or engineer; or

(vi) any suit as to which any applicable statute of limitations would expire within one hundred eighty (180) days of giving the Notice required by Section 14.02(a), unless the party or parties against whom the Claim is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article.

Section 13.02 Dispute Resolution Procedures.

(a) Notice. The Bound Party asserting a Claim ("Claimant") against another Bound Party ("Respondent") shall give written notice ("Notice") to each Respondent and to the Board stating plainly and concisely:

(i) the nature of the Claim, including the persons involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(c) Mediation. If the parties have not resolved the Claim through negotiation within thirty (30) days of the date of the Notice described in Section 14.02(a) (or within such other period as the parties may agree upon), the Claimant shall have thirty (30) additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency or individual providing dispute resolution services in the State of Mississippi selected by both sides if the Association is a party. If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim. If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be required to initiate arbitration proceedings on the Claim, as set forth in Section 14.02(e) below. Each party shall bear its own costs of the mediation, including attorneys' fees, and each party shall share equally all fees charged by the mediator.

(d) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.

(e) **Arbitration; No Trial by Jury.** All Claims, Disputes or other matters in question arising out of, or relating in any way to the Condominium or the breach of contract between the Bound Parties that are not resolved by negotiation or mediation shall be resolved by binding arbitration by a single arbitrator in Oxford, Mississippi in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect.

EACH PARTY ACKNOWLEDGES THAT HE OR SHE IS KNOWINGLY WAIVING THE RIGHT TO A TRIAL BY JURY RELATING TO ALL CLAIMS.

All disputes concerning the arbitrability of any Claim or the enforceability or scope of this provision shall be subject to the same binding arbitration. The parties shall bear equally the cost of the arbitrator, and each party shall otherwise bear their

own costs; provided, the arbitrator shall have the authority to award costs as a part of this award to the extent authorized by applicable law. The arbitrator shall follow the law applicable to any Claim and shall be empowered to award any damages or other relief which would be available under the law applicable to any such Claim. The determination of the arbitrator shall be final, binding on the parties, and non-appealable and may be entered in any court of competent jurisdiction to enforce it. The parties acknowledge and agree that the transactions contemplated by, and relating to, the Condominium, which may include the use of materials and components which are obtained from out-of-state and which otherwise include the use of interstate mails, roadways and commerce, involve interstate commerce, as that term is defined in the Federal Arbitration Act, 9 U.S.C. § 2.

Section 13.03 Initiation of Litigation by Association. In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial or administrative proceedings unless first approved by a vote of the Members entitled to cast seventy-five percent (75%) of the votes in the Association, except that no such approval shall be required for actions or proceedings:

- (a) initiated during the period that the Developer controls the Association;
- (b) initiated to enforce the provisions of this Declaration, including, but not limited to, collection of assessments and foreclosure of liens;
- (c) initiated to challenge property taxation or condemnation proceedings;
- (d) initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or
- (e) to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

This Section 14.03 shall not be amended unless such amendment is approved by the same percentage of votes necessary to institute proceedings.

Section 13.04 Developer's Right to Cure Alleged Defects. Due to the complex nature of construction and the subjectivity involved in evaluating quality of construction, disputes may arise as to whether a defect exists and the Developer's responsibility therefor. It is the Developer's intent to resolve all disputes and claims regarding any Alleged Defect (as defined below) amicably, and without the necessity of time-consuming and costly litigation. Accordingly, the Association and all Unit Owners shall be bound by the following claim resolution procedure with respect to Alleged Defects:

- (a) Developer's Right to Cure. In the event that the Association, Board or any Unit Owner or Unit Owners (a "Complaining Party") claim, contend or allege that any portion of the Condominium, including, without limitation, the Common Elements, Limited Common Elements and/or any constructed on the Condominium Property, are defective or that the Developer or its agents, consultants, contractors or subcontractors (collectively, the "Developer's Agents") were negligent in the planning, design,

engineering, grading, construction or other development thereof (collectively an "Alleged Defect"), the Developer hereby reserves the right to inspect, repair and/or replace such Alleged Defect as set forth herein.

(b) Notice to Developer. In the event that a Complaining Party discovers any Alleged Defect, such Complaining Party shall, within a reasonable time after discovery, notify the Developer, in writing, at such address as the Developer may from time to time provide to the Association, or such other address at which the Developer maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

(c) Right to Enter, Inspect, Repair and/or Replace. Within a reasonable time after the receipt by Developer of a Notice of Alleged Defect or the independent discovery of any Alleged Defect by the Developer, the Developer shall have the right, upon reasonable notice to the Complaining Party and during normal business hours, to enter onto or into, as applicable, the Common Elements, Limited Common Elements, any Unit, and/or any improvements or other portion of the Condominium Property for the purposes of inspecting and, if deemed necessary by the Developer, repairing and/or replacing such Alleged Defect. In conducting such inspection, repairs and/or replacement, the Developer shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

(d) Legal Actions. No Complaining Party shall initiate legal action or dispute resolution procedures as set forth above against the Developer alleging damages (1) for the costs of repairing or the replacement of any Alleged Defect, (2) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (3) for any consequential damages resulting from such Alleged Defect, unless and until the Complaining Party has (i) delivered to the Developer a Notice of Alleged Defect and (ii) the Developer has, within ninety (90) days after its receipt of such Notice of Alleged Defect, either (a) failed to repair or replace such Alleged Defect or (b) if such Alleged Defect cannot reasonably be repaired or replaced within such ninety (90) day period, failed to commence such repair or replacement of the Alleged Defect and, thereafter, failed to pursue diligently such repair or replacement to completion.

(e) No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Paragraph 14.04 shall be construed to impose any obligation on the Developer to inspect, repair, or replace or pay for any item or Alleged Defect for which the Developer is not otherwise obligated to do under applicable law, any limited warranty, or other agreement to which the Developer is a party. The right of the Developer to enter, inspect, repair and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and recorded by the Developer in the Office of the Chancery Clerk of Lafayette County, Mississippi. This provision does not create any warranties, express or implied, on the part of the Developer or the Association.

(f) Arbitration. **Any disagreement between an Owner, Owners, the Board, and/or the Association, on the one hand, and the Developer on the other,**

concerning Developer's efforts to remedy or repair any Alleged Defect (a "Dispute"), after compliance with the foregoing provisions of this Section 14.04, shall be resolved by binding arbitration by a single arbitrator conducted in Oxford, Mississippi in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. EACH PARTY ACKNOWLEDGES THAT HE OR SHE IS KNOWINGLY WAIVING THE RIGHT TO A TRIAL BY JURY RELATING TO ALL CLAIMS. Without limiting the foregoing, it is expressly agreed that this agreement to arbitrate also covers any and all claims that the Unit Owner may assert against the construction contractor(s) and/or design-builder(s) for the Condominium, and its/their subcontractors, sub-consultants and affiliates (sometimes herein referred to as "Contractor Parties") or the Developer. At the option of the Developer, any other person or entity with whom or which the Developer has an agreement for binding arbitration may be joined in an arbitration proceeding hereunder. The award rendered by the arbitrators shall be a reasoned award and shall be final and binding upon the parties to the arbitration, and judgment upon the award may be entered in any court having jurisdiction over any of the parties thereto. Arbitration proceedings pertaining to a Dispute shall be transcribed verbatim by a competent court reporting company selected by the American Arbitration Association. The initial fee of the American Arbitration Association shall be borne by the party initiating the Dispute, and all other costs of the arbitration, including the costs and fees of the arbitrators, and the expense of transcription, shall be borne in equal shares by (a) the Owner or Owners and/or Association, (b) Developer, and (c) any Contractor Parties and/or other parties to the arbitration joined. Notwithstanding anything herein to the contrary, the respective parties to the arbitration shall each be responsible for their own costs incurred in the arbitration with respect to third party expenses, including but not limited to, costs of discovery, attorneys' fees, accountants' fees, investigation expenses, and experts' fees.

ARTICLE XIV

MISCELLANEOUS

Section 14.01 Rights and Powers of Successors and Assignees. The rights and powers reserved to or exercisable by the Developer under the Condominium Documents or the Law may be exercised by any successor or assignee of the Developer (i) who acquires title from the Developer by foreclosure or other judicial sale or deed in lieu of foreclosure, or (ii) to whom the Developer specifically assigns such rights and powers.

Section 14.03 Mold and Mildew. Mold and/or mildew can grow in any portion of the Condominium that is exposed to elevated levels of moisture. Each Unit Owner covenants and agrees to: (1) regularly inspect the parts of the Condominium that the Unit Owners maintain; and which are visible and accessible without having to first conduct invasive testing, for the existence of mold, mildew, and/or water intrusion and/or damage; (2) upon

discovery, immediately repair in a good and workmanlike condition the source of any water intrusion in the parts of the Condominium that he maintains; (3) remediate or replace any building material located in the parts of the Condominium that he maintains that has absorbed water or moisture as a result of water intrusion; and (4) promptly and regularly remediate all mold and/or mildew discovered in the parts of the Condominium that he maintains in accordance with current industry-accepted methods. In addition, each Unit Owner shall immediately notify the Association of the discovery of mold, mildew, and/or water intrusion and/or damage in his Unit, and shall provide the Association access to his Unit to evaluate the same.

Section 14.05 **Exhibits.** Exhibits "A", "B", "C", "D", "E", "F", "G" & "H" attached to this Declaration are an integral part of this Declaration.

Section 14.06 **Invalidity and Severability.** It is the intention of the Developer that the provisions of this Declaration are severable so that if any provision is invalid or void under any applicable federal, state or local law or ordinance, decree, order, judgment or otherwise, the remainder shall be unaffected thereby.

Section 14.07 **Interpretation.** The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a condominium project. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision or any other provision hereof.

Storm Water Management, Inspection and Maintenance Plan and Information

The Storm Water Management and Detention infrastructure is predominantly located under the surface of the common area and its itself considered a common element whereby the Association is directly responsible for the management, inspection, maintenance and repair. The Unit Owners are fractionally responsible for the cost to repair such systems as well as any other common elements as defined herein. It is incumbent upon the Association to follow this Plan and to appropriate the necessary reserve funds to address these matters over time.

The Developer, its successors and assigns retain an easement for access, use, expansion, construction and maintenance to the Storm Water Management and Detentions systems for future phases and development.

The Storm Water System Maintenance Plan has been developed to assure that storm water retention/treatment basins and storm water conveyance systems are adequately inspected and maintained to assure that they meet their design functions. Outlined below please find a description of the various inspection and maintenance activities owner intends to undertake in regard to achieving these goals:

1. Storm water retention areas and outlets shall be inspected periodically to determine if they are functioning correctly. Based on this inspection, basins that are identified for maintenance will be prioritized and basin maintenance will be performed as needed.
2. Portions of the site's storm sewer system will be periodically inspected. During these inspections, debris present at catch basins grates, detention areas and outlet structures will be removed so as to provide reasonable assurances that the system will operate in an unobstructed manner during rainfall events.
3. The condominium association will clean the paved, curb-and-gutter streets at least once annually.
4. Storm sewer outfalls will be inspected periodically. Inspection shall include evidence of scouring or the presence of significant deposition of silt at the storm sewer outfall. Scouring problem areas will be noted and stabilized. In areas where silt deposition is evident which is indicative of significant erosion upstream, an inspection will be made of the upstream watershed to identify the source of erosion.

STORMWATER BMP MAINTENANCE GUIDELINES

The required maintenance interval for storm water BMPs are often dependent upon the degree of pollutant loading from a particular drainage basin. BMP maintenance can best be broken into three categories: **inspection**, **routine maintenance**, and **major maintenance**. Though each BMP type has its own unique characteristics, **inspections** will generally consist of an assessment to assure its functionality and the general condition. **Routine maintenance** will generally consist of trash and vegetation removal, unclogging of drains, minor sediment removal and exchange of filter media where applicable. **Major maintenance** will be completed as required from inspections and generally consists of significant reconstruction due to failures in the BMP. Examples of Major Maintenance include dredging, excavation, removal of existing media, replacing fabric, replacing the under-drain, and re-establishment of vegetation. The preceding schedule is offered as a guideline for performing **Inspection** and **routine maintenance** for a range of BMP categories.

It is understood that maintenance and repair of the Storm Water Management and Detentions is included in the Condominium Documents for this development and covered by the provisions of the Condominium Association By-Laws to “To maintain, repair, replace and operate the Common Elements of the Property” as a common expense to be paid prorata by all Unit Owners and further subject to future expansion and use by Developer and Additional Property phases.

Williams Engineering, LLC 662.236.9675 and the City of Oxford have a copy of the Site Plan on file for any party’s reference of the location and specifications of the Stormwater Management Facilities in the future.

Sanitary Sewer Collection/Lift Station Inspection and Maintenance Plan and Information

The Sanitary Sewer Collection/Lift Station ("Sewer Facility") is predominantly located under the surface of the common area and its itself considered a common element whereby the Association is directly responsible for the management, inspection, maintenance and repair. Should the Association cease to exist or not have the requisite funds for repair, operation and maintenance as required for the Sewer Facility, then the Unit Owners are fractionally responsible for the cost to repair such Sewer Facility as well as any other common elements as defined herein. It is incumbent upon the Association to follow this Plan and to appropriate the necessary reserve funds to address these matters over time.

Maintenance

1. periodically visit lift station site to confirm no alarms are active (recommended frequency once per month)
2. Bi-Annual Maintenance
 1. vacuum all solids, sand, gravel out of wet well
 2. clean all grease buildup off of float level controls
 3. check AMP loading for pumps to ensure they are operating within manufacturer's recommended range
 4. check weather proof control enclosure for signs of leaks

Information

The Association or its Management Company shall have someone who is responsible at all times to be a point of contact to call if the alarm light on the station comes on and to have a licensed plumber available to make any regular or emergency repairs.
